

WIN STAR TREATMENT IN AN ALL-ITALIAN DESTINATION

PREPARE FOR AN ITALIAN HOLIDAY IN THE STYLE OF A BONAFIDE CELEBRITY

The Italian town of Como has been making appearances alongside Hollywood A-listers for decades, from Greta Garbo in her 1930's flick *Grand Hotel*, to Gwen Stefani and her music video for *Cool*. In fact its most famous resident is none other than Mr. George Clooney himself. Rife with glamour, we're giving one lucky winner and their guest a chance to get some red carpet treatment of their own at Grand Hotel Tremezzo.

Imagine a mini vacation in Northern Italy that mixes superstar standards with a touch of vintage Italian authenticity. An icon in of itself, Grand Hotel Tremezzo sits on the edge of the stunning Lake Como, effortlessly bridging the gap between 100 years of classic glamour and modern contemporary style.

It all starts with a good night's sleep in a Lake View Room. The magnificent Lake View Rooms are tucked away in every corner of the property, offering unparalleled views of Lake Como and the Riviera della Azalee from floor-to-ceiling windows, which open onto the Mediterranean-style balcony. The green marble bathrooms even have a separate shower and whirlpool bath for a little in-house spa treatment.

But save the real pampering for T Spa. The brand-new facility is 1,000 square metres of state-of-the-art luxury in an 18th Century structure, featuring five beautiful treatment rooms, a hammam and a 'finishing touches' studio, all in addition to a breathtaking infinity pool and gym.

Don't be fooled by all the ultra-modern amenities though, as at its core, Grand Hotel Tremezzo is the epitome of authentic Italian hospitality where every palate will be accounted for. La Terrazza offers an Italian *al fresco* dining experience overlooking the lake itself, while the stylish L'Escale Fondue & Wine Bar offers meat and fish lovers the chance to experience the best Italian grills accompanied by the best Italian grape. And if there's one thing you need to be eating in Italy, T Pizza focuses on the country's favourite dish cooked to perfection in a wood-fired oven. Bellissima!
