A lover's guide to... Lake Como

There's a reason why the A-list have chosen to make Lake Como their playground...

WHERE TO STAY

The Grand Hotel Tremezzo, with its stunning waterfront location and views of Lake Como, is nothing less than an idyllic choice for a post-wedding break. The interior boasts a mix of classic and contemporary Italian style, which is echoed throughout the hotel's range of luxury suites. With three pools to choose from and a menu of indulgent spa treatments on offer, it's the perfect spot to prolong your big-day bliss. Following a day of pampering or exploring the countryside, check into the honeymoon suite or a romantic penthouse room with beautiful views of the lake. With your own private jacuzzi on the rooftop, treat yourselves to champagne while you star-gaze across the peaceful water towards the flickering lights of the town of Bellagio. Unwind with a cocktail in the hotel bar, before experiencing five-star cuisine at one of the hotel's eateries. Perfecto.

WHAT TO DO

- 1) Take a long lunch at Locanda dell'Isola Comacina; a family-run restaurant on the small island of Comacina. With a special five-course menu, it's a hit with celebrity diners including George Clooney and Brad Pitt.
 - 2) A five-minute boat ride and you're in the 'Pearl of Lake Como', the beautiful town of Bellagio. Mosey through the cobbled streets and pick up some local delicacies, or enjoy a traditional Italian macochino coffee.
 - 3) 'Ruy', the hotel's private launch boat, is available to hire to explore the lake. Why not book a sunset tour and ask the driver to show you the famous spots around the area?
 - 4) Indulge your post-wedding figure at one of the hotel's restaurants; we recommend L'Escale Fondues and Wine bar for a more relaxed evening, or La Terrazza for the perfect romantic setting.
- Prices start from £273 (plus 10% VAT and city tax) per night, including breakfast. Price based on two sharing. Honeymoon suite prices start from £711 (plus VAT and city tax). For bookings and information, call +39 0344 42491 or visit www.grandhoteltremezzo.com.
